Programme

Power Ring 2009 Conference

9 December 2009, Gas Museum, ul. Kasprzaka 25, Warsaw, Poland

8:30 – 9:00 Registration of participants

9:00 – 9:35 Official opening of the conference

- *Joanna Strzelec - Łobodzińska, Undersecretary of State, Ministry of the Economy;*
- *Mikołaj Budzanowski, Undersecretary of State, Ministry of the State Treasury;*
- *Bernard Błaszczak, Undersecretary of State, Ministry of the Environment;*

Where are we? - Poland's status in the context of the European Commission's climate decisions

9:35 – 10:05

SESSION I: Poland in light of the Energy and Climate Package

- Poland – a place with great energy efficiency capacity; how to invest well and also save:
 - *Andrzej Guzowski, Main Specialist of the Energy Efficiency Department, Ministry of the Economy;*
- Implementation of Energy & Climate Package
 - *Piotr Bonisławski, Expert, Kreab Gavin Anderson Brussels*

10:05-10:50

SESSION II: Industry and energy: together or against?

- The actual aims of the Package and Polish industry:
 - *representative of the industry;*
- Industry and energy as joint vessels – NO to conflicting interests:
 - *Adam Kania, Main Power Engineer, ZA Puławy;*
- Transfer of high-emission branches of industry to locations where the provisions of the energy and climate package aren't immediately implemented. Compliance with provisions generates costs, transferring production is cheaper, but is this the way to achieve energy efficiency? And can one turn back from this road?
 - *representative of Tauron Polska Energia SA;*
